Dept Water & Power, Metropolitan Water District and many others. We are also a Paving Contractor with an "A" & "C-12" licensed contractor.

A.C. PAVING COMPANY.

Div. BlackGold Development, Inc.

CAPABILITIES STATEMENT

ABOUT US:

For 10 years A.C. Paving Company has served over a thousand satisfied customers. We are a DBE, SBE Certified Manufacturer, (#40654) specializing in asphalt, concrete, concrete slurry, rock base and other loose materials for Government, commercial, industrial, retail, HOA & utilities projects. We currently have open accounts with our major Local and National material Suppliers.

We also are an Asphalt Paving Contractor that hold an "A" & "C-12" license #870652. Our company provides exceptional service with a firm commitment of superior quality. We have earned a reputation among our competitors as a leader in the manufacturing & paving industry. We look forward to partnering with your company and providing superior quality materials & paving solutions on your next project.

A.C. Paving Company focuses on services related to Government, public works and utilities where DBE certifications are required with an emphasis on Material Orders.

We have over 30 years of experience in the construction and service industry. For the past 22 years our management staff has been responsible for servicing, managing and selling approx. \$90 million of construction related projects to over 450 General Contractors. We pride ourselves in providing professionalism at competitive prices and by practicing fair and honest business ethics.

OUR MISSION STATEMENT:

A.C. Paving Company's mission is to provide clients with the opportunity to use our Certifications for material orders and to achieve their required goals. Also, provide exceptional service, expert analysis of project specifications, proper blending of mix designs for materials required, along with keeping your operation running safely, efficiently and compliant with Government regulations.

DBE Certified, SBE Registered

*** With all the new requirements mandated for disadvantage or small owned business participation, our service allows either the (Prime General Contractor) or the direct (Owner, Governing Agency) to continue using the sub-contractors they are comfortable and familiar with.

*“Our goal is to offer a simple solution to a complicated situation.” –
Anthony J Curato Jr.*

THE A.C. PAVING COMPANY DIFFERENCE:

What exactly is the A.C. Paving Company difference? It is our approach to our customers and business practices that sets us apart from our competitors. A.C. Paving Company provides an experienced staff that comes from the manufacturing and construction industry with many years of reading & producing for materials of government specifications, logistical scheduling of delivered materials and strategically pricing projects to win the bid, thus, understanding the importance getting it right the first time.

RECAP OF COMPETITIVE ADVANTAGES:

- 100% of value applied towards DBE goal.
- Certified & Registered DBE, SBE.
- Officers with over 30 years in construction & service industry.
- Educated agents with manufacturing & construction experience.
- Open accounts with Local and National material Suppliers.
- Critical Path Scheduling of Projects and specification accuracy.
